CHEERLEADERS

Cheerleaders bring the spirit to Co-Lin

Cheerleading today is a unique combination of athleticism, entertainment and student leadership.

Cheerleading tryouts are held each April. Former Co-Lin cheerleaders practice with the new cheerleaders starting in early March so they can be prepared for tryouts. Starting in May the new squad travels all over the surrounding counties teaching private camps to junior high cheerleaders. This continues until the middle of July. Each camp lasts anywhere from three to five days.

Co-Lin cheerleaders practice at least three to four times a week starting in May and continuing until school begins in August.

Co-Lin's cheerleaders have attended UCA cheer camp at the University of Alabama the last seven years. They have won numerous awards and trophies year after year.

Cheering at Co-Lin is a year round sport and requires hard work and dedication.

Former Co-Lin cheerleaders have gone on to cheer at NCAA Division I schools including the University of Mississippi, Mississippi State University and the University of Southern Mississippi.

2006 BLUE WAVE SHOW BAND

Blue Wave turning up the heat

Hold on to your Panama hats, get out the sun screen and prepare for a trip to the beach! The 2006-2007 edition of the Co-Lin Blue Wave Show Band promises to be one of the best in recent years. With a screaming horn line, powerful percussion and visual effects provided by the color guard and Colettes, the Blue Wave Show Band hopes you get caught up in a wave of high energy, familiar tunes and, of course, a healthy dose of humor.

The show opens with the jazz/rock theme song from the popular 70's detective show, "Hawaii Five-O" followed by the Colette/Color Guard feature tune, the Beach Boys' "Fun Fun Fun." The Blue Wave percussion section is featured next on a unique solo entitled "Flotsam and Jetsam, Blue Wave Debris" written especially for Co-Lin by Ed Girling and arranged by Assistant Band Director Chris Warren. The show concludes with a fan favorite, Jimmy Buffett's "Margaritaville."

Directing the Blue Wave this year is Drum Major Kimeka Williams of Brookhaven. Color Guard captains are Katie Moss of Brookhaven and Latangue Smith of Wesson. Head Colette is Marxy Myers of Brookhaven. Colette captains are Emilye Walker and Amber Thompson, both of Brookhaven and Brittany Hoffstadt of Kentwood, LA.

The Blue Wave Show Band is directed by R. Shaw Furlow, Chris Warren, Shelley Huskey and Stanley Stewart.

WOLFPACK FOOTBALL

High expectations for Wolfpack in 2006

By Ben Brassfield

The Co-Lin Wolfpack has been focused on the 2006 season since the end of the 2005 season. The Wolfpack started the year off strong beating the Northwest Rangers in the season opener 16-6. The season looked promising as the Wolfpack appeared to have one of the best defenses and backfields they've had in years. After dropping the next six straight in a hurricane shortened season, the Wolfpack has been focused on this season.

"We've got to figure out how to win the close games," said Co-Lin's head football coach Glenn Davis. "Last year was a big battle almost every game, and when you lose by two or five points every game, you can see the improvement."

According to Davis, the 2006 edition of the Wolfpack should be more competitive, but states that this year's schedule is tougher and the South Division continues to get better.

Joining the Wolfpack in the South Division are Southwest, Pearl River (2004 NJCAA National Champion), Mississippi Gulf Coast, and Jones County.

Davis is looking for the sophomores to provide plenty of leadership. "We have some players that will step up this year," said Davis. "Cedric Johnson will make things happen at quarterback, and in this league you need a quarterback to do that."

Sophomore Thomas Hinton, Jr. was the back-up quarterback last season but will be playing wide receiver this year because of some stand out performances at the end of the season. Hinton also said that he feels great about the upcoming season and that the whole coaching staff has been pushing the team and that it will all payoff.

"Hinton is one of our most consistent receivers and will make plays," said Davis.

Sophomores Darius Williams of Blakely, Ga., and Daymon Carroll of Hazlehurst will also see action at wide receiver. In the backfield are newcomers Aaron Johns of Thomasville, Al., and Jeremy Bibbs of Brandon. Bibbs was a Division I prospect out of Northwest Rankin High School.

"Our offensive line is weak this year," said Davis. "They are young and they need to adjust to the speed of the game." Davis added that the biggest problem last year was matching skills with other teams. He said that it would not be that big of a problem this year.

"The team as a whole has a long way to go," said returning tight end Thomas Skinner. "I think we will be there by the time the season starts."

On defense, Davis will look to lineman Jesse Bowman of Brookhaven and linebacker Blake Spiers of Brandon. "We've got to have strong leadership from both of these guys," said Davis.

"I really think we will be ready for the playoffs in nine weeks," said Davis. "We have made progress every year. Our offense will be more exciting and we have upgraded in skill on both sides of the ball." Davis said that they have to be able to run and throw the ball with consistency and take what the defense gives them. "We have to find a way to win those low scoring and not give up big plays," said Davis.

WOLFPACK SOCCER

Talented Wolfpack begin new era

By Ben Brassfield

A new season, new coaches and a new attitude will greet Wolfpack soccer fans in 2006. New head coach Frank Smith brings a new attitude to both men's and women's soccer teams.

Smith has been a successful coach in the Mississippi Private School Association for the last five years at Presbyterian Christian School and Brookhaven Academy. His coaching record includes 59 wins, 19 losses and 4 ties, a MPSA South Division Championship in 2003 and two semi-final appearances with Brookhaven Academy in 2004 and 2005.

Assisting Smith this year is Brian Moore.

This year's team will be led by several veteran's including Brad Brister of Wesson, Demetreous Berry and Brad Young, both of Lawrence County.

They will be joined by 14 talented freshmen including All-District Most Valuable Player Rich Scott of Franklin County and Tony Privett of Middlesex, England.

The Wolfpack has made some changes in almost every aspect of the game for the 2006 season. "We've changed the way we compete, our attitudes on and off the field, the way we dress, and we even changed the field with a Wolf Den for the fans," said Smith.

"The team is coming together nicely and continuing improvement," said Smith. "We have been practicing at a high mental level with the changes we have made."

Smith compares this year's eight player offense to a "run and gun" football offense. "We are going to send eight players and score our goals."

"I have already seen changes in the first week with teamwork and our conduct in practice," said Smith. "We have a real good chance of going all the way this year. I see this team as a story of 'worst to first.' They just have to give it all they got," said Smith.

LADY WOLVES SOCCER

Lady Wolves will be anchored by strong defense

By Ben Brassfield

The Lady Wolves are also sporting a new attitude in 2006. According to new Coach Frank Smith the Lady Wolves have one of the toughest defenses in the state anchored by sophomore Stephanie Presley of Union Academy and freshman sweeper Laura Waldrop of Brookhaven High School.

"We are just building this year with hard recruiting," said Smith. "We've got to stay healthy this year and be able to compete."

Smith and assistant coach Brian Moore concentrated their recruiting efforts in the midfield and forward positions.

Freshman Amber Bowman will be counted on in the striker position. Bowman represented Wesson High School in the Mississippi High School Athletic Association's All-Star Game.

Smith said that sophomore Amanda Hardwick of Clinton will help control the midfield area.

The players are excited about the possibilities for this season. "Our team has way more heart and dedication," said Hardwick.

"We are better than last year and we have new talent," said Presley.

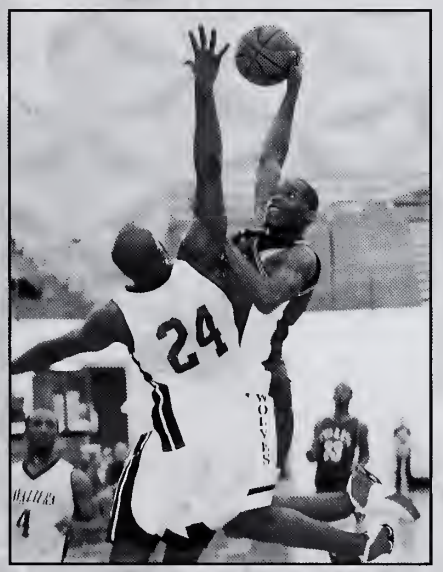
WOLFPACK BASKETBALL

Wolves look to build on experience in 2006-2007

After finishing the 2005-2006 campaign with a 16-9 record and a second place finish for the South State Championship, as well as a semi-final berth in the Region 23 Tournament, the Wolves return one full-time starter.

"We have several players returning that played valuable minutes for us this past season," said Coach Sims.

As mentioned, one of the strengths is the returning experience from part-time starters to reserves from last year's squad. The lone returning starter is Jemario Martin, a 6-0 guard from Crystal Springs High School. Martin averaged 5.4 points and 1 assist per game while being named first team All-State. Joining Martin is center Christian Marshall (6-10), forward Derrick Richardson (6-5), guards Joey Jackson (6-4), Dexter Brunson (5-8), and Darrell Johnson (6-2).



Marshall from Wingfield High School averaged 9 points and was the team's second leading rebounder at 4.6 per game. Richardson from Capital High in Baton Rouge, La. averaged 3 points and 2.2 rebounds per game.

Joey Jackson from Mendenhall High averaged 3 points and 2 rebounds. Point guard Dexter Brunson from Wingfield High School saw extensive playing time averaging 1.4 points per game while dishing out 1.3 assists.

Darrell Johnson from Mendenhall High averaged 2.1 points and 1 rebounds per game.

New signees and transfers include Greg Truvillion, a 6-8 forward from Lansing Community College in Lansing, Michigan; Jeremy Bibbs, a 6-2 guard from Northwest Rankin High School, Julius Blanks, a 6-3 guard from Gautier High School, Wesley Brown, a 6-5 forward from Franklin County High School, Corey London, a 6-0 guard from Shades Valley High School in Birmingham, Alabama; Anthony McDaniel Jr., a 5-10 guard from Gautier High School, and Garrick Walker, a 5-11 guard from Mendenhall High School.

Lost to graduation are Joe Holliday (MACJC First Team All-State, MACJC All-Star Game, and Region 23 All-Region Team, Southern University signee), Tremaine Enoch (MACJC Second Team All-State, Wiley College signee), Arvel Keys, Ivory Dishmon, Lamar Hall, Geric Anderson, Jermaine Culver, and Troy Turner.

LADY WOLVES BASKETBALL

Lady Wolves have experience and talented freshman class

After finishing the 2005-2006 season with a 20 - 8 record, MACJC South Division Championship, MACJC State Runner-up and NJCAA Region XXIII Runner-up, the Lady Wolves return three starters and four other experienced players. Coach Gwyn Young is excited about the upcoming season with the return of these eight sophomores a talented freshman class and one transfer.

Once again, the Lady Wolves will be looking to the sophomore class to bring experience and leadership to direct the 2006-2007 team.

"With three starters returning and four players with experience and one transfer in this year's line-up and a good freshman class we should be able to compete at a high level in the tough MACJC conference," Young said.

Returning sophomores include Kristian McCray of Brookhaven High School (sat out 2005-2006 season recovering from knee surgery) averaged 5.2 points and 4 rebounds in 25 games during the 2004-2005 season, Alicia Kennedy of West Lincoln High School averaged 3.2 points and 1.8 rebounds in 15 games, Corissa Tillman of Crystal Springs High School averaged 3.3 points and 1.6 rebounds in 26 games, Dominique Whitfield of Crystal Springs High School averaged 8.1 points and 6.8 rebounds in 27 games, Roneasa Garner of Lawrence County High School played in 5 games, Whitney Scott of Hahnville High School (LA) averaged 6.4 points and 3.9 rebounds in 26 games, Erica Trahan of Broadmoor High School (LA) averaged 7.7 points and 9.1 rebounds in 28 games, Hanna Porter of Northwest Rankin High School transferred from the University of West Alabama, and Nikki Williams from White Castle High School (LA) was named MACJC First Team All-State, NJCAA All-Region XXIII, averaged 14.3 points, 2.8 assist, and 3.2 steal in 28 games. These sophomores will be counted on to guide the team with leadership and experience.

Freshmen signees and walk-ons include Jordan Britt (Loyd Star), Kristen Ellis (Vicksburg), Alisha Mason (Enterprise), Haley Ratcliff (Loyd Star), Jalissa Sandifer (Hazlehurst), Shalenia Wilcher (Franklin County) and Tyesha Williams (Crystal Springs) are expected to provide immediate help for the 2006-2007 season.

Lost to graduation are Anna Autman (MACJC All-Star, MACJC Second Team All-State and South Carolina State University Signee), Ashley Murphy (MACJC All-Star and Academic All-American), Jennifer Carter, Laquita Ard, and Aiesha Collins.

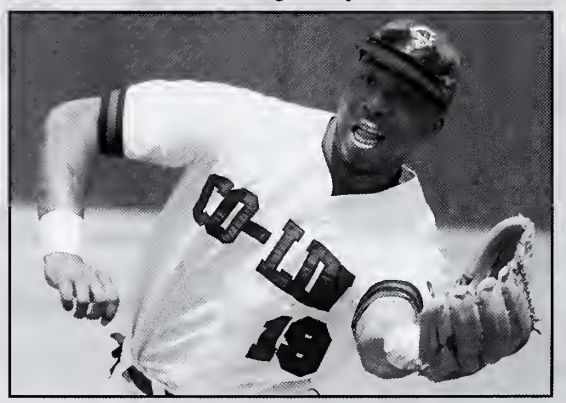
WOLFPACK BASEBALL

Diamond Wolves rebuilding in 2007

With only seven returning sophomores, Coach Keith Case will depend on a group of talented freshman to make an immediate impact in 2007.

The Wolfpack finished the 2006 season with a 25-22 record. They were the National Junior College Athletic Association's (NJCAA) No. 4 Academic Team of the Year with a 3.22 team grade point average.



Lost to graduation are rightfielder Xavier Qualls (NJCAA Second Team All-American, NJCAA All-Region 23 First Team, MACJC First Team All-State, and Southeastern University signee), catcher Matthew Schexnayder (MACJC Second Team All-State and Southeastern University signee), third baseman Garrett Jones, shortstop Josh Logan (MACJC Second Team All-State and University of Louisiana-Lafayette signee), first baseman Todd Siders (NJCAA Distinguished Academic All-American), designated hitter Joel Hurt, right hand pitcher Derek Thompson (NJCAA Academic All-American and William Carey University signee), centerfielder Ryan Williams (MACJC Second Team All-State), and pitchers Will Buckles and Matthew Tubbs.

Case said the keys to this season are more productivity from the pitching staff and replacing the offense. "The freshmen will have to step in and make adjustments."

Returning to the pitching staff are starter Brandon Chretien of Comeaux High School (LA) who piteched this summer for the Louisiana Legends. Coming back from a elbow surgery is right hander Joseph Langham (a 2005 medical redshirt). Brett Hartfield had good innings last season and is the only returning left hander. Kyle Fairley pitched well the first half of the season and has gotten stronger after playing summer baseball in West Point.

Nine freshmen will be added to the staff including Marty Ballard and Jake Russell, both of Lawrence County, Avery Mathes of Vicksburg, Justin Champagne of South Terrebone (LA), Matt Floyd of Enterprise High School, Brandt Hinton of Brookhaven High School, Patrick Shumaker of East Rankin Academy and Justin Whatley of Loyd Star High School.

Returning to the infield are second baseman Dane Orders and catcher Ryan Hoben, who played third base and pitched last season. Hoben could also come out of the bullpen this season.

Also competing at catcher are James Antoon of Jules Sumner (LA) and Edward Joe of Ridgeland who could also serve as the designated hitter or play first base.

Competing for infield positions are C.J. Wright and David Alton New, both of Adams County Christian School, Jordan Toney of Mendenhall, Russ Carter of Richland, and Steven Gauthe´ of Assumption (LA).

Leftfielder Cole Hodges is the lone returning starter in the outfield. Looking to compete for a posi-

tion are Paul Davis of Brookhaven Academy, Montez Chapman of Magee, TaeByus Smith of Lawrence County, and Cole Bradford of Adams County Christian School.

Case said the schedule is the toughest he's had in the last 12-13 years. All of the Wolfpack's South Division opponents are returning strong teams. Pearl River will have one of the strongest teams as they boast several *Clarion-Ledger* All-Sate high school players. Southwest, who finished second in the South last year, returns strong pitching and had a good recruiting class. Mississippi Gulf Coast and Jones will also return strong teams.

Bryan Nobile returns for his fourth season as assistant coach. Former Co-Lin and Troy University standout Lance Newman begins his fourth year as a volunteer coach.

LADY WOLVES SOFTBALL

Lady Wolves look to return to National Tournament

The 2007 Lady Wolves have some big shoes to fill following a dream season in 2006 winning the South Division, MACJC State Tournament and NJCAA Region 23 Tournament. The team came in third place in their first-ever appearance NJCAA National Tournament in Normal, Ill.

Key players lost to graduation were NJCAA First Team All-American pitcher Emily Horne (Arkansas Tech) and NJCAA All-Region infielders Jackie Stowe (Delta State University) and Megan Bateman.

Top returnees from last year's squad are NJCAA All-Region selections pitcher Erin Douglass (Kady, Texas) High School), outfielder Annie Selman (Copiah Academy), All-State catcher Lauren Smith (West Lincoln), shortstop Kady King (Parklane Academy), MACJC All-Division first baseman Allyson Wallace (Brookhaven High School). Also seeing significant playing time last year was outfielder Candace Braxton (Bogue Chitto) and utility player Kaylin Burke (Enterprise). Jessica Hart (Brookhaven Academy) saw limited duty with elbow problems and Brooke Caston (Amite School Center) looks to make contributions. This group was a big part of the success from last year, gaining valuable experience.

"Certainly we hope to build from what we achieved last year, but we cannot dwell on our past accomplishments," said Head Coach Allen Kent. "We were able to be successful by playing a lot of freshmen last year, but we also had one of the most dominant pitchers ever to come through our league. So we must be able to pick up the slack defensively and offensively."

Incoming freshmen expected to provide an immediate impact are pitcher Kayla Crochet (Redemptorist (La.) High School), infielder Ashley Sykes (Brookhaven High School), pitcher/infielder Meleah Brown (Bogue Chitto), outfielder Emily Langley (Brookhaven Academy), infielder/catcher Britnee Smith (West Lincoln) and pitcher Caroline Burkes of Loyd Star.

"Pitching will again be a key for us," said Kent. Douglass is the team's only returning pitcher, posting a 13-4 mark last year with a 2.26 ERA. Three

freshmen, Crochet, Brown and Burkes will shore up a formidable staff for the Lady Wolves.

"We have not had this many pitchers before, so not only does it make for better competition, it also gives us some options as far as relievers go. Sykes was a pitcher in high school and could be used if necessary."

Smith returns with catching experience, sporting one of the best arms in the MACJC. She threw out four of the five runners that attempted to steal on her last year. Britnee Smith, Burke, Sykes and Caston all have spent time behind the plate giving the Lady Wolves depth at the catching position.

The team batted .334 as a team last year, relying on small ball, as they only hit two home runs all season. As a team, the Lady Wolves stole 85 bases. The 2007 squad has the potential to put some good numbers on the board and hit more doubles and home runs.

Douglass lead the team in hitting last year, boasting a .438 batting average, while tying Stowe for the RBI lead with 36. Selman batted .385, while leading the team with 17 stolen bases and 12 walks. King hit for a .355 clip with 22 RBI, while Braxton hit .321 and Smith hit .312.

Defensively, the Lady Wolves hope to do a better job of taking care of the ball. Last year's team committed 71 errors in 47 games. "We have a lot of ladies that are very versatile and can play several positions. This should help us be a little more flexible than we were last year, as competition will be stiff for playing time

LADY WOLVES TENNIS

Lady Wolves will build on third place finish in 2006

Under second year head coach Holli Adams, the Lady Wolves tennis team will rely heavily on a group of talented freshmen in 2007. Last year's team finished third in the Mississippi Association of Community and Junior Colleges (MACJC) State/National Junior College Athletic Association (NJCAA) Region 23 Tournament with an overall record of 10-4. The team was also the No. 12 NJCAA Academic Team of the Year with a 3.36 team grade point average and Intercollegiate Tennis Association (ITA) All-Academic Team.

Lost to graduation were NJCAA Academic All-American and ITA Scholar Athlete Lyndsay Franklin, ITA Scholar Athlete and 2005 State/Region 23 Champion at No. 5 singles Channelle McCrory, ITA Scholar Athlete Leah Bush, and Brittany Smith.

The Lady Wolves will look for leadership from returning sophomores ITA Scholar Athlete Kasey Parker (Copiah Academy) and Julie Meacham (Brookhaven).

Incoming freshmen include Mindy Morse of Loyd Star, Mare Sims of Wesson and Whitney Kyzar of Enterprise.

Morse was a member of the Loyd Star team that won the district championship the last three years. She won second place in No. 1 singles her junior year and third in the state her senior year. She was selected the team Most Valuable Player her sophomore and senior years and received the Sportsmanship Award her freshman year. Morse is also a member of the United States Tennis Association.

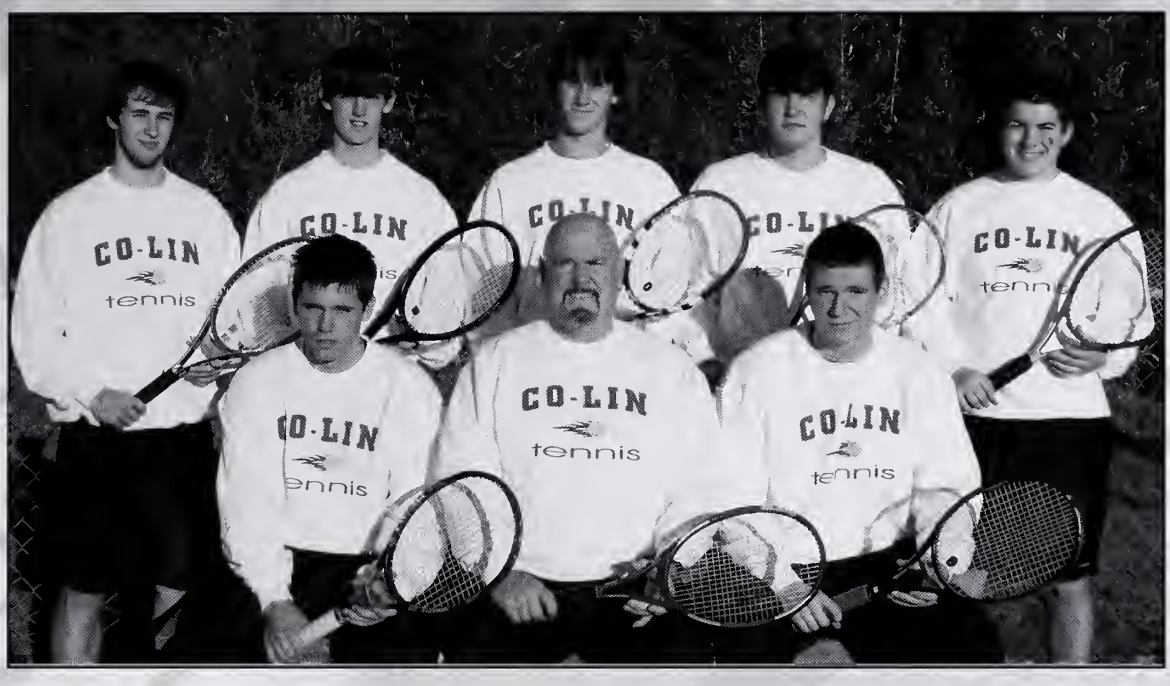
A standout at Wesson High School, Sims was named Most Improved her freshman year and Most Valuable Girl her junior and senior years.

Kyzar was selected Most Valuable Player her junior and senior years and received the Coaches Award her sophomore year.

A former MACJC State and NJCAA Region 23 Champion, Coach Adams played No. 2 doubles and No. 3 singles at Mississippi College where she was team captain. She received the Choctaw Award and was named American Southwest Conference All-East First Team, All-ASC Tournament First Team, Newcomer of the Year, ASC Eastern Player of the Week and Academic All-ASC Team.

She was a member of the 2002 MACJC State and NJCAA Region 23 Championship Team at Copiah-Lincoln. In 2003, Adams won the state championship at No. 1 doubles and No. 2 singles. In 2004 she won the state championship at No. 4 singles and No. 2 doubles. She was a NJCAA Distinguished Academic All-American in 2004 and inducted in Co-Lin's Hall of Fame.

WOLFPACK TENNIS



Men's team named No. 2 Academic Team of the Year

The men's tennis team continued their tradition of excellence in the classroom as they were the NJCAA No. 2 Academic Team of the Year. The team was the National Champion in 2002 and again in 2005. They were runners-up in 2004 and 2005 and finished third in 2003.

For the past two years, Croatians Dino Lovrin and Goran Samodajev have been a valuable part of our tennis program. Lovrin, at No. 2 singles, finished his career at Co-Lin as a NJCAA Distinguished Academic All-American with a 3.9 grade point average. He and his No. 1 double partner, Samodajev were both named ITA Scholar Athletes.

Coach Mike McIntyre's "Croatian connection," Lovro Roncevic (Brookhaven Academy '92) has recruited two freshmen, but they will not be enrolling until January. McIntyre expects this to give the 2007 team a big boost.

The 2006 team finished the regular season third in the state/region with a 12-5 record. They avenged two early season losses (vs. MS Gulf Coast and Jones JC) by identical 6-3 wins at the end of the season. The team was on track to make it back to the nationals, but stumbled in the state/regional tournament semifinals in Meridian. Jones beat the Wolves out of a trip to the nationals by a one point in the tournament.

The team also lost a valuable sophomore in Corey Gemelli, who was easily the most improved player on the 2006 squad.

McIntyre expects the return of Giles Langston, Philip Hammond, Jeffrey Kintner (all of Brookhaven High School); Jon Golman (Loyd Star), and Cody Warren of West Lincoln.

Incoming freshmen include Reese Daniels of Lawrence County and Joey Ratcliff of Loyd Star.

McIntyre hopes that if the two Croatian freshmen arrive in the spring season and the returning players and incoming freshmen make a lot of progress during the fall, the team has a chance to make it back to the NJCAA National Tournament in Texas.

McIntyre's record in 28 seasons stands at 387-75 including 5 state championships, 4 regional titles, 10 runners-up teams, 10 nationally-ranked teams, and 9 visits to the national tournaments. He will be making his 10th consecutive trip to the USA National Tennis Teachers Conference in New York City (held in conjunction with the opening weekend of the US Open) at the end of August.

WOLFPACK GOLF

Ross returns to lead Co-Lin golfers

Ronny Ross returns as coach of the Co-Lin golf team. He served as head golf professional at Wolf Hollow Golf Club and as Co-Lin's golf coach from 1995-2001.

Ross is the head golf professional and general manager of Brookhaven Country Club.

In only their second year competing in Division II, the team finished four third place finishes, three fourth place finnishes and placed fourth in the MACJC State/NJCAA Region 23 Tournament in 2006.

Leading the Wolfpack in 2007 are Grant McDonnieal of Brookhaven, Matthew Williamson of Mendenhall and Bo Sandifer.

Freshman signee Scott Porche of Houma, La. is expected to make an immediate impact. Also competing for a spot on the team are Brice Welch, Jacob Paulk, Baron Jones, Brandon Goldsmith, and Wade Williams.

2007 DIAMOND DOLLS

The Diamond Dolls are an integral part of the Co-Lin Baseball program. These hard working young ladies work in various areas of the program. They are the friendly faces that will greet you at the gate at all Wolfpack home games at Sullivan Field. Home games will also find the Diamond Dolls working in the concession stand on the third base side of the stadium. Diamond Dolls are also behind the grill cooking burgers and hot dogs that have a taste that can only be found at the ballpark.

Away from the field the Diamond Dolls serve as hostesses to recruits on campus. They give campus tours and entertain them in the dining facilities.The Diamond Dolls spend quality time in making the Co-Lin Baseball program successful.

Serving as Diamond Dolls for 2007 are seated from left, Naomi Meadows of Magee, Bethany Little of New Hebron, Jessica Bass of Meadville, Brittany Covington of Brookhaven, Lacey Williams of Crystal Springs, Suzanne Chance of Monticello, Lindsey Mills of Brookhaven, Kasey Parker of Hazlehurst, Blair Wall of Brookhaven; standing from left, Jenna Thames of Monticello, Amanda Miller of Smithdale, Amber Thompson of Brookhaven, Lindsey Jones of Meadville, Dana Holeman of Florence, Sara Griffin of Hamburg (head Diamond Doll), Casey Dickerson of Summit, Lauren Smith of Wesson (statistician), and Jessica Lamar of Crystal Springs. Not pictured are Anna Scarbrough of Meadville, Rachel Walters and Brittany Welch, both of Crystal Springs.

Wolfpack Baseball

The Wolfpack play their home games on beautiful Sullivan Field. Sullivan Field is located on the campus of Copiah-Lincoln Community College. The immaculate kept diamond is in playing shape at all times of the year. College and high school games are played on Sullivan Field during the school year. Summer finds the field hosting Co-Lin Baseball Camps, American Legion games and Boys State.

The turf on the playing surface is bermuda. During the playing season it is overseeded with a perennial ryegrass. The cutting heights vary during the course of the year, but it is always cut like a carpet. A sand and clay mixture makeup the dirt area of the infield. It is topdressed with Pro's Choice soil conditioner to give it a perfect playing surface.

Dimensions of Sullivan Field are 330 down the left field line, 335 down the right field line and 385 to center field. The outfield wall is a wooden 8' wall from foul pole to foul pole.

Lighting at the park is second to none. All lights are positioned on towering 90' poles that easily light up the playing area for excellent action for the players and fans. The 40' inning-by-inning scoreboard was installed in 1999.

Enclosed bullpens can be found on the visitors and home team sides of the field. Each pen has a double pitching mound and catchers boxes.

The stadium at Sullivan Field will let fans enjoy a baseball game with comfort, whether in stadium seats or in lawn chairs. The grandstand area behind home plate will seat 500 while the bleachers down the third base line will seat 100. Plenty of grassy areas are also available for lawn chairs and blankets.

Georgia-Pacific and Asa Hardison were behind the completion of the modern pressbox facility at Sullivan Field. It is completely heated and cooled as well as designed with maximum auditory comforts. Media, radio crews and pressbox personnel have room and comfort to cover Wolfpack games.

In 2007, the press box will be dedicated in honor of Dennis Ray White of Wesson. White was a volunteer with the Co-Lin baseball and football programs for 13 years. He was the public address announcer, filmed games, kept score, lined off the field, and did other jobs to assist the baseball program. White passed away from a lengthy illness in December of 2005.

Restroom and concession facilities are located behind the third base side of the field. These facilities were built in order to let everyone enjoy their visit to Sullivan Field a little more.

The newest addition to the Wolfpack baseball program is the new field house, which was completed in the fall of 2006. The building includes coaches' offices, a spacious locker room and shower facility as well as an indoor hitting facility and storage area. The field house was a joint project with the college and Georgia-Pacific.

Copiah-Lincoln Community College hopes you enjoy your visit to Sullivan Field and our campus.
